Good Afternoon Sarah,

I am the Community Care Project Officer for Aged Care Queensland. Aged Care Queensland is the Queensland peak body for the providers of aged and community care and retirement services. At the moment I am working on organizing a Contemporary Community Care Workshop for our members that looks at mentoring young entrants in the aged care industry. Whilst researching this topic I came across the paper you wrote with Catherine McLoughlin entitled *Design Features of an E-mentoring System for Health Professions: Choosing to learn in partnership* which I found extremely interesting.

I contacted the University of Queensland's Online Centre for Health and they informed me that you are currently in New Zealand. I was wondering when you would be returning to Brisbane as we would like to invite you to present on E-mentoring at our Contemporary Community Care Workshop to be held on the 31<sup>st</sup> of July.

I look forward to hearing back from you.

Kind Regards
